HOW THE MEDICAL PLAN WORKS

To provide participants with quality, cost-effective health benefits, the Pension Boards has partnered with Humana.

Plan participants have access to Humana's PPO, or Preferred Provider Organization. A PPO allows participants to receive care in-network OR out-of-network. Under the UCC Medicare Advantage Plan with Rx, participants pay the same level of coinsurance whether a provider is in-network or out-of-network. As long as a provider, specialist, or facility takes Medicare and agrees to bill Humana, participants can see their provider of choice. Services may require prior authorization and Humana will pay for services as long as the services are Medicare-covered benefits. Participants have no costs or copay for preventive care, plus financial protection with a yearly out-of-pocket maximum and worldwide emergency coverage.

Upon enrollment in the UCC Medicare Advantage Plan with Rx, participants will receive a Humana Benefit Kit that includes an identification card to use for medical and pharmacy services. To request a replacement identification card, please call Humana Group Medicare Customer Care at 1.866.733.1872.

SILVERSNEAKERS

Humana provides access to SilverSneakers, a total health and physical activity program that helps you get fit, and stay fit the way you want, by providing access to over 16,000 fitness locations nationwide. SilverSneakers also provides access to outdoor activities and virtual classes that can be done independently at home. Visit silversneakers.com/starthere, or download the **SilverSneakers GO App**.

GO365

Go365 is Humana's rewards program that helps you track and monitor your progress towards your health and well-being goals. With Go365, you can earn rewards for preventive care that you likely already receive on a regular basis like an annual wellness exam, mammogram, colorectal screening, and flu and pneumonia shots. Sign in at **Humana.com** and click on **Go365**, or download the **Go365 App**.

PREVENTIVE SERVICES

The Plan provides coverage for annual wellness exams. This benefit encourages early detection and treatment of medical conditions and is not subject

to the annual deductible.

WOMEN'S HEALTH AND CANCER RIGHTS ACT

The Women's Health and Cancer Rights Act of 1998 mandates that all group health plans providing coverage for mastectomies also cover:

- all stages of reconstruction of the breast on which the mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- prostheses and treatment of physical complications for all stages of a mastectomy, including lymphedema.

The Plan covers mastectomies and, therefore, covers the services in the paragraphs above as well. A consultation with your attending physician is necessary to determine the level of covered services.

Important information about your plan coverage—prior authorizations

What is prior authorization and how does it work?
 The Humana Group Medicare Advantage plan requires your doctor to get prior authorization from Humana for some types of care. Your doctor must get Humana's approval before prescribing specific drugs, performing particular procedures or ordering certain tests.

You don't need to do anything
 It is your provider's responsibility to obtain prior authorizations. There is nothing you need to do.

Why this is necessary
 Humana's prior authorization approach supports optimal health, safety and financial wellness, and ensures that Medicare requirements are met.

Here are a few examples of items where Humana may require prior authorization:

- Home health
- Specialist visits
- Physical, speech or occupational therapy
- Advanced imaging, such as MRI or CT scan
- Certain medications

HOW THE PRESCRIPTION DRUG PLAN WORKS

To provide participants with quality, cost-effective health benefits, the Pension Boards has contracted with Humana for the following services:

Included with your **UCC Medicare Advantage Plan w/Rx** is an extensive 4 Tier Part D prescription drug coverage to serve your medication needs. Our Part D plan provides many features that may make filling your prescriptions easier.

For certain medications, Humana may require prior authorization or step therapy. If you are prescribed a medication that requires **prior authorization**, your doctor must provide information that indicates the medication is being used appropriately, and request that it be covered under your prescription drug plan.

Step therapy requires patients to use clinically effective, lower-cost medications before “**stepping up**” to a higher-cost medication.

Under the UCC Medicare Plan with Rx Part D benefit, every drug that is covered by Medicare is also covered by the plan. Participants can get a 30-day or 90 day supply at a retail pharmacy, or a 90-day mail order supply. There is no deductible with the prescription plan, and there is no coverage gap, also known as the doughnut hole; you have copay protection all the way through to the Catastrophic Phase.

You can check your plan’s formulary online or get the same assistance by calling Humana Customer Care, to see all the medications in your **Humana** plan, and into what tier they fall.

With your plan, you have access to **Centerwell Pharmacy**, Humana’s own best-in-class customer satisfaction and overall customer care mail order pharmacy. With **Centerwell Pharmacy**, you have the convenience of free shipping, in a plain package that’s typically small enough to fit into your mailbox. We also have two pharmacists that check every order for safety and accuracy, and there is a team of pharmacists and technicians just a phone call away.

In addition, Humana Pharmacy reminds you when your prescriptions need to be refilled. You may set up an account either online at **CenterwellPharmacy.com** or at **1.888.538.3518**.

Humana’s Part D coverage is spread among four groupings based on the drug type—also called “tiers.”

It covers every drug that is covered through Medicare.

Deductible

Pharmacy (Part D) deductible

This plan does not have a deductible.

Prescription Drug Benefits

Initial coverage (after you pay your deductible, if applicable)

You pay the following until your total yearly drug costs reach **\$4,660**. Total yearly drug costs are the total drug costs paid by both you and our Part D plan.

Tier	Standard Retail Pharmacy	Standard Mail Order
30-day supply		
1 (Generic or Preferred Generic)	\$17 copay	\$17 copay
2 (Preferred Brand)	\$35 copay	\$35 copay
3 (Non-Preferred Drug)	\$50 copay	\$50 copay
4 (Specialty Tier)	\$50 copay	\$50 copay
90-day supply		
1 (Generic or Preferred Generic)	\$55 copay	\$34 copay
2 (Preferred Brand)	\$105 copay	\$90 copay
3 (Non-Preferred Drug)	\$150 copay	\$125 copay
4 (Specialty Tier)	N/A	N/A

Some Vaccines are covered at **100% for all members.

There may be generic and brand-name drugs, as well as Medicare-covered drugs, in each of the tiers. To identify commonly prescribed drugs in each tier, see the Prescription Drug Guide/Formulary. To view the most complete and current Drug Guide information online, visit www.humana.com/SearchResources, locate Prescription Drug section, select www.humana.com/MedicareDrugList link; under Printable drug lists, click Printable Drug lists, select future plan year, select Group Medicare under Plan Type and search for GRP38.

ADDITIONAL DRUG COVERAGE

Original Medicare excluded drugs

Certain drugs excluded by Original Medicare are covered under this plan. You pay the cost share associated with the tier level for certain Cough/Cold, Fertility, Vitamins/Minerals, Erectile Dysfunction drugs. The amount you pay when you fill a prescription for these drugs does not count towards qualifying you for the Catastrophic Coverage stage. Contact Humana Group Medicare Customer Care at the phone number on the back of your membership card for more details.

Coverage Gap

Most Medicare drug plans have a coverage gap (also called the "donut hole"). The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches **\$4,660**.

You will continue to pay the same amount as when you were in the initial coverage stage.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach **\$7,400**, you pay the greater of either:

- **\$4.15** for generic (including brand drugs treated as generic) and a **\$10.35** copay for all other drugs, OR
- **5%** coinsurance
 - **One-month Retail: \$17** maximum out-of-pocket per prescription for tier 1 drugs, **\$35** maximum out-of-pocket per prescription for tier 2 drugs, **\$50** maximum out-of-pocket per prescription for tier 3 drugs, and **\$50** maximum out-of-pocket per prescription for tier 4 drugs.
 - **Three-month Mail order: \$34** maximum out-of-pocket per prescription for tier 1 drugs, **\$90** maximum out-of-pocket per prescription for tier 2 drugs, and **\$125** maximum out-of-pocket per prescription for tier 3 drugs.

HOW THE DENTAL PLAN WORKS

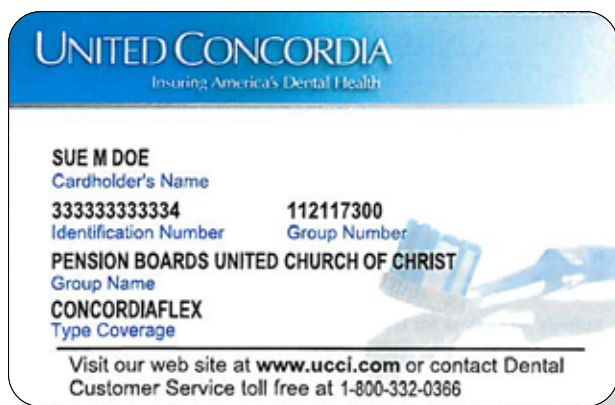

Your UCC Medicare Advantage Plan provides minimal coverage for dental and vision services. Separate enrollment in the stand-alone UCC Dental and Vision Plans ensures coverage for most dental and vision services.

The UCC Dental Plan is a stand-alone plan that provides preventive, therapeutic, restorative, prosthetic services, and orthodontic services for you and your covered dependent(s). The Dental Plan is administered by United Concordia Companies, Inc. (UCCI). You will receive an ID card from United Concordia. You may also access an electronic ID card from your smartphone by visiting www.ucci.com. Log in to your United Concordia account for more information.

PREFERRED PROVIDER ORGANIZATION (PPO)–ADVANTAGE PLUS 2.0

Advantage Plus 2.0 network dentists provide services at discounted rates and submit claims directly to United Concordia Companies, Inc., our dental claims processor. You are later billed for your share of dental services in accordance with the Plan's provisions. You are not required to submit payment at the time you receive services, although the provider may request that you pay your deductible. Network providers may not bill you for charges in excess of network allowable fees.

This Plan provides open access, allowing you to see any dentist you choose. However, use of Advantage Plus 2.0 PPO network providers is highly encouraged in order to maximize your dental benefits. You will not receive a discount if you obtain services from providers who do not participate in the Advantage Plus 2.0 PPO network, and you are likely to be required to file a claim for services. If you wish to encourage your dentist to become an Advantage Plus 2.0 PPO network provider, you can ask them to contact United Concordia to join.

DENTAL PLAN FOOTNOTES:

1. Advantage Plus 2.0 PPO network provides access to dental care at a lower cost than out-of-network providers.
2. Reimbursements are based on United Concordia’s schedule of maximum allowable charges (MACs). Network dentists agree to accept UCCI’s allowances as payment in full for covered services. Non-network dentists may bill the member for any difference between UCCI allowance and their fee.
3. Preventive Services do not apply towards the plan’s annual maximum.
4. Treatment received for the unexpected onset of severe pain or other symptoms, which, if not treated immediately, could reasonably be expected to result in serious health threat or impair the health of the individual.
5. Crowns will only be covered on the same tooth once every five (5) years unless the need for replacement is due to poor quality of the existing restoration.

WHAT THE DENTAL PLAN DOES NOT COVER

Any claim submitted after one year (12 months) from the date of service will not be considered for payment. If you are unsure of any aspects of your dental coverage, contact United Concordia at 1.866.851.7576. The UCC Dental Plan does not cover the following services and/or supplies, unless otherwise specified:

1. Charges for reline/rebase of dentures or bridges are not covered more than once every 36 months. Repair of dentures is not covered more than once per arch per 36-month period.
2. Implants, except in limited circumstances for members 18 and over. Please contact United Concordia Dental for review.
3. Motor vehicle accident injuries—services for treatment for injuries resulting from the maintenance or use of a motor vehicle if the services/treatment have been paid or are payable under a plan/policy of motor vehicle insurance. This includes a certified or qualified plan of self-insurance, or any fund or program for the payment of extraordinary medical benefit established by state law. Payment for such injuries may be coordinated with your other insurance after those benefits have first been exhausted. The Dental Plan will then pay on a secondary basis.
4. Oral surgery for bony impactions of third molars (wisdom teeth). Contact Highmark BCBS for benefits available under the Medical Plan.
5. Orthodontic services that occurred before enrollment in this Plan or after enrollment is terminated.
6. Procedures, restorations, and appliances to increase vertical dimension or to restore occlusion.
7. Replacement of an existing crown or gold filling will not be covered unless for tooth decay.
8. Services and supplies partially or wholly cosmetic in nature.
9. Training in or supplies used for dietary counseling, oral hygiene, or plaque control.
10. Treatment by someone other than a dentist or physician, except where performed by a duly-qualified technician under the direction of a dentist or physician.
11. Workers' compensation-related illness or bodily injury, if benefits or compensation are available, in whole or in part, under the provisions of any federal, state or local government workers' compensation, occupational disease or similar type legislation. This exclusion applies whether or not the enrollee files a claim for said benefits or compensation.

HOW THE VISION PLAN WORKS

Your UCC Medicare Advantage Plan provides minimal coverage for dental and vision services. Separate enrollment in the stand-alone UCC Dental and Vision Plans ensures additional coverage for many dental and routine vision services.

This is a summary of the Vision Plan that is administered by VSP. The Vision Plan is a stand-alone benefit with a separate application and premium, and a Plan Year that runs from April 1 through March 31. You will not receive identification cards from VSP; your vision care provider will verify your eligibility and benefits when you schedule your appointment. If you have questions regarding your vision benefits or to locate a VSP Signature Network provider, contact [VSP](#) at **1.800.877.7195**.

PREFERRED PROVIDER ORGANIZATION (PPO)-VSP

VSP's network consists of over 36,000 providers to provide professional vision care for persons covered under this Plan. When you want to obtain services, call a VSP provider to make an appointment. While you may obtain services from any eye care provider of your choice, you will receive your maximum eye care benefits from a VSP provider.

Vision services are covered on a "Service Year" basis. This means you will be eligible for your next covered benefit 12 months from the date of your last service: 12 months for exams, frames, and lenses or contact lenses. For example: If you had an eye exam on May 1, 2022, you will not be eligible for another eye exam until May 1, 2023. If you received eyeglass frames on July 1, 2022, you will not be eligible for new frames until July 1, 2023.

Your in-network provider will submit your claim directly to VSP.

If you obtain services from a non-VSP provider, contact VSP Customer Service at **1.800.877.7195** for an Out-of-Network Claim Form.

VSP will not provide ID cards at the time of enrollment. A confirmation letter from the Pension Boards will be sent to the participant once their initial application has been processed.

Participants interested in printing an ID card for their VSP Plan may do so by creating a personal account at www.vsp.com. ID cards are not required to obtain services.

Vision plan enrollment is intended to be continuous in order to provide low out-of-pocket costs to the participant.
